Dear Ms. Barton:

Enclosed you will find a copy of the resolution approved by the Bradford Central School District Board of Education at their September 17, 2019 meeting indicating the Board's decision that no tax exempt status will be applicable within the District for solar farms and other energy systems as described in Real Property Tax Law 487.

Please accept this correspondence as official notice of this decision and let me know if you need anything further from the district.

Sincerely,

Lisa M. Kuhnel
School Business Administrator

Board Resolution to Opt Out of Real Property Tax Exemption:

Upon the recommendation of the School District's attorneys, and having had an opportunity to discuss the situation regarding whether to exempt from local school property taxation certain wind, solar farm waste energy systems, micro-hydroelectric energy system, fuel cell electric generating system, micro-combined heat and power generating equipment system, or electric energy storage equipment and electric energy storage system, it is hereby

RESOLVED: that no exemption from school district taxes under Real Property Tax Law 487 shall be applicable with respect to any solar, wind, farm waste energy systems micro-hydroelectric energy system, fuel cell electric generating system, micro-combined heat and power generating equipment system, or electric energy storage equipment and electric energy storage system as defined by Real Property Tax law 487, as of the effective date of this resolution, and further

RESOLVED that a copy of this resolution shall be filed with the President of NYSERDA and the Commissioner of the New York State Department of Taxation and Finance in accordance with the law.

ADOPTED: September 17, 2019

Deborah Stephens, District Clerk
